

SAVE SINDHI CHILDREN FROM DROUGHT IN THARPARKAR

The Thar region of Sindh has been plagued by drought for three years, and in that time, malnutrition has hit an all-time high.

1600 CHILDREN HAVE DIED,

OVER 400 THIS YEAR ALONE.

Over 150,000 people have left their homes to escape the threat of death, yet the government has done little to help the people of Thar.

The World Sindhi Congress calls on the Sindhi diaspora to reach out to their own people and help those who have nothing.

Please help us save the lives of hundreds of children and preserve the homeland of the people of Tharparkar.
